# Teachers: This year take your students on a Waterfront Adventure from Navy Pier!

Are you looking for a field trip to inspire your class? A professionally narrated boat tour on Lake Michigan will showcase Chicago's exciting history as well as its modern role as one of the largest, most progressive cities in the United States. It's a diverse educational experience disguised as fun for all ages.

## VOYAGE THROUGH HISTORY!

Your class will depart from historic Navy Pier and cruise along the lakefront. You will see the John Hancock Center, Grant Park, the Chicago Harbor Lighthouse, the river locks and many other Chicago landmarks. A narration of current and historical facts about Chicago accompanies the tour.

**Length: 40 minutes**  
**Departure: Navy Pier**

## SAFETY FIRST!

Our vessels are United States Coast Guard certified and piloted by USCG Certified Master Captains. Although the vessels are partially enclosed, all attendees should make appropriate plans for an outdoor activity. Our dock is located directly across from the Navy Pier food court to make your lunch plans easily accessible.
